Philippians 1:6 and 2:13

- My sin placed on Christ
- God's anger/wrath placed on Christ
- The righteousness of Christ placed on me

I continue to struggle with sin—Why does God allow that?

- To show me I can't stand up on my own
- When I call sin "sin," and repent, it leads to a humble and contrite heart that leads to holiness (kills pride)
- When I apply the gospel to a specific sin, it cultivates a grateful heart that sees and feels God's love and forgiveness

- Completely like Jesus in every way

The gospel gives us the courage to be honest about our sin with no guilt, fear, or shame.
