

Happy December!

December is one of the most important months of the year for our organization. The sacrificial financial support of passionate people like you is the only reason T.E.A.R.S. is able to continue our mission to break the chains of hopelessness through the Gospel, education, & clean water.

In 2017, we've been able to see an incredible impact within our community. Below are some highlights from 2017, BUT we aren't through yet. As the end of the year approaches, we are looking for donations to help us improve our current programs & create even more environments where we can serve & show the grace of God to the poorest of poor. Would you partner with us & give to T.E.A.R.S. this December?

Every dollar makes an impact!

GIVE NOW!

TEARS FC

This year our soccer program, that has been operating for the past 12 years, officially became a Club. We established a board & are competing against other clubs all over the DR. TEARSFutbol Club is giving underprivileged kids the opportunity to do something profitable with their afternoons & weekends, as well as teaching them the discipline that comes with a team sport.

High School!

At the end of last school year we were told we had to split

our elementary school & high school. Because of so many generous supporters, we were able to start constructing our shipping container high school in June & completed Phase 1 & 2 just in time for school to start in August. Between our two schools we have over 400 students who are able to continue their education. This massive project would not have been able to happen without all the support we received from people like you.

Relationships!

The heartbeat of our ministry is relationships. This year our church, El Camino, established deacons & elders. This has helped us meet the needs of the community & maintain relationships more consistently. We also had 8 short term teams & countless individuals come down & serve alongside El Camino Church & our school. While thankful for all the financial support we have been given, the gift of relationships both near & far has been invaluable this year.

GIVE NOW!
