Dear Loving Partners in the Ministry,

I pray and trust that all of you are doing well and that the Lord is blessing. I am excited to report to you what the Lord has been doing in the past few months through our ministry here in Myanmar.

In answer to our decade-long prayers, we received + 30000 books from CSM in Canada in the end of August. Now we have one of the largest Christian libraries in the whole of Myanmar. How thankful we are to everyone who has participated in this huge project!

During November 14-16, we held the EBC Ministers' Conference at Hmawbi, the suburb of Yangon. Some 300 ministers attended the conference where I taught contemporary theology and the history and doctrinal stand of the EBC.

During November 20-22, I visited Kyaingtong, in eastern Shan State to oversee the ministries of our alumni. There are some 50 Bible believing churches in that area who are willing to join the EBC. They will be admitted into the EBC at our next annual conference in February, 2019. Most of the people there are Lahu and Akha tribes.

During November 26-29, I preached and taught at Zomi Ministers' Conference in Kalaymyo where some 300 ministers from various denominations attended. I taught on Christian Ethics for three days.

During December 5-10, I visited Tedim, Tonzang, and Cikha towns, and Haiciin villages. Cikha town and Haiciin village are at the most northern part in Chin State bordering India. I preached every night during the tour encouraging the believers in the EBC churches.

During December 12-14, we held a youth conference called "Purposeful Youth." I taught during the day for 2 days and preached 3 nights. Some 50 young people dedicated their lives for fulltime Christian service.

On December 16, 2018, I had the privilege of dedicating the new church building of Berean EBC in Kalaymyo. I also preached at the worship service. It was such a blessed time.

I deeply thank the Lord for what the Lord has done for us and through us in the past several months. Thank you so much for your faithful prayers and support. We sincerely covet your continued prayer and support as we enter into a New Year.

MERRY CHRISTMAS AND HAPPY NEW YEAR TO YOU ALL!

In His Service,
Do Suan Mung
